

2010 Application for Camping Scholarship Golden Gate District Council on Ministries

Camping Scholarship Policy as amended by the GGDCOM Sept. 23, 2006:

The Golden Gate District Council on Ministries never wants a money issue to keep a youth from going to a United Methodist camp or special event. Therefore, the Golden Gate District Council on Ministries will consider awarding up to \$150 per scholarship, not to exceed 50% of the initial registration price for the youth to attend such -- after the youth's local United Methodist Church has determined that it would be a financial hardship for the family and local church to fund the entire amount, and both the church and family have made efforts to raise the funds.
