

## **HISPANIC PLAN RESULTS IN NEW LIVES, NEW MINISTRIES**

Thanks to our World Service Fund giving (part of our General Church Apportionments), the United Methodist Hispanic Plan is growing new congregations and Sunday schools and training a new generation of laity to lead in mission work.

Through the Hispanic Plan, 250 lay missionaries have received training, 50 new Sunday school extension ministries have begun in 15 Annual Conferences, and 140 new faith communities and 90 new churches or missions have sprung up in 35 Annual Conferences, including our own!

For more information on the Hispanic Plan, call Eli Rivera at (212) 870 3693 or visit <http://gbgm-umc.org/NPHM/> For more about this Annual Conference's Hispanic ministries, call Samuel Fabila, staff for the CA-NV Committee on Hispanic Ministries: (916) 456-0487.
