Now, just in time for you to order for your local church Fall kick-off of ministries! “A Kaleidoscopic Ministry of Mission Personnel” is a trifold pamphlet from our General Board of Global Ministries about U.M. Church and Community Workers.

Church and Community Workers are mission personnel who uplift the poor and disenfranchised in rural and urban areas. They focus on poverty, racial injustice, and domestic violence. They work in five settings:

- Cooperative parishes
- Rural and urban ministries
- Ethnic ministries
- Disaster response
- Criminal justice work
