

## **STRENGTHENING OUR CONNECTION - FOR PRAYER?**

Talk about "the Connection" these days in U.M. circles, and people may think you're talking about money for apportionments. But what if it's also about prayer?

Local churches, youth groups, UMW circles and Sunday school classes throughout our connection are signing up to join in on the Upper Room Ministries' Prayer Line, which operates 24/7/365 around the globe. Jim Roy, Prayer Ministries coordinator, says that when the prayer line began four years ago, it was receiving 400 calls a month - and now it's handling 2,500 monthly calls! They hear prayer requests and pray online with the caller, then forward the request for continuing daily prayer.
